

Make your home cool,  
decorate it with a  
surfboard on the wall  
and our timeless  
wooden racks.

The wood lives for a  
long time, and it can be  
reused...

...just like you can reuse  
your surfboard and  
make it a real piece of  
interior design!

# HANG YOUR BOARD COLLECTION

We value the art of  
making  
high-quality  
creations by hand.

# HANG YOUR BOARD COLLECTION

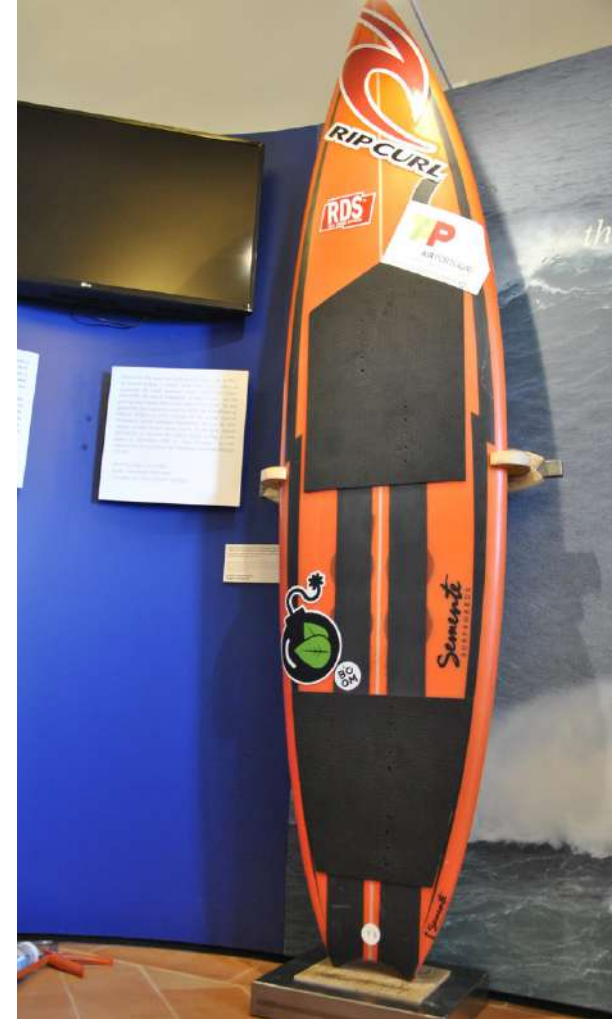

"Design is the silent ambassador of your brand" - Paul Rand
